## About US

Even though we have been in business for a short period of time, we have been catering to students from over **36 different countries** and over 200 universities world wide have used our facilities and our services.

## Why stay with us

Studying abroad is an adventure, but at the same time it can be scary as well. Especially if you are leaving the comforts of home alone for the first time, adjusting and living in a different country, using a different language and no clear understanding of the host country's culture can be difficult.

We offer safe affordable housing, and our staff are here to help you with all of your needs while you are studying in Korea. We can communicate with you, help you in times of need.

We will be your friend that you can lean on and depend upon during your stay in Korea.

What ever you need, don't hesitate to contact us.

## Location

- We are conveniently located within 5 minutes walking distance from Seoul Station
- One-Stop access from Incheon Int'l airport using the Airport Subway
- Conveniently located in proximity to various Korean higher education facilities
- Convenient access to Lotte Shopping Center. (Groceries, Household items etc.,)

## Convenient Travel to Nearby Universities

## Facilities and Amenities

### Fitness Center (29<sup>th</sup> Floor)

State of the art gym facilities that all of our residents can use freely. Health trainers and yoga instructors are available for an extra charge.

### Study Room (B2 Floor)

Group study room is available for our residents for group studies and projects. The study room is available by appointment.

### Outdoor Garden (29<sup>th</sup> Floor)

With a fabulous city view, our outdoor garden offers the perfect atmosphere for private meditation or to wind down after a long day

### Open Lounge (29<sup>th</sup> Floor)

The perfect place to communicate and network personal ties with fellow residents. With complimentary self service coffee and tea provided year round, it is one of the hot spots of the facility

## Other Services

### Security

For the safety of our residents, we offer 24 hour security guards within our facility, along with 24 hour CCTV surveillance for hallways and elevators. Access to the living quarter is granted only by the key card that is provided to our residents.

### Networking

UR Seoul can accommodate 400 international residents. We plan activities such as Kimchi making to offer our residents a cultural experience as well as for our residents to interact with one another. Through these activities we provide our residents natural opportunities to build new relationships and networks at a global level.. UR Seoul will be more than happy to organize events such as experiencing Korean Culture, Residents Sports events and so on. All you have to do is ask!
